I don't think we would so lightly throw around the term "innocent Nazi civilians" during World War II.

I would challenge anybody in here to point to me which Palestinian is Hamas and which one is an innocent civilian.

equating Palestinians with Nazis and implying all of them, including children, are personally responsible for atrocities committed by Hamas, days after admitting it was he who eliminated the provisions for food, medicine and other humanitarian aid from a proposed bill about aid for people in Gaza Strip**
