

## **2016 Presidential election**

**Race definitely  
played a role in the 2016 election.  
I think race will always play a role  
in our country. It's just sort of  
a constant fact of American life.**

**And definitely some people  
who voted for Trump were racists,  
and they voted for him for racist reasons.**

**J. D. Vance**
