

## **2016 Presidential election**

**That's right – lock her up!**

**Damn right.**

**And you know why we're saying that?**

**We're saying that because, if I,  
a guy who knows this business,  
if I did a tenth – a tenth –  
of what she did, I would be in jail today.**

**Michael Flynn,  
responding to the audience when it  
began chanting "Lock her up!" after he  
mentioned Hillary Clinton in his speech  
at the Republican National Convention**
