

2016 Presidential election

**Trump supporters,
from most to least important:**

**Vladimir Putin and his Russian hackers
digging/creating dirt on Democrats**

**Julian Assange and his Wikileakers
distributing Russian-dug/made dirt**

**Stephen Bannon, of Breitbart News,
& Sean Hannity, Fox News dumbass,
spreading conspiracy theories**

**Uneducated blue-collar whites
mistaking Trump for someone who
cares for anyone other than himself**
