

2020 Presidential election

**But if we re-elect him,
knowing what a norm-destroying,
divisive, corrupt liar he is,
then the world will not treat
the last four years as an aberration.
It will treat them as an affirmation
that w've changed.**

**The world will not just
look at America differently,
but at Americans differently.
And with good reason.**

**Thomas L. Friedman,
New York Times, October 29, 2020**
