

2020 Presidential election

**In the committee's hearings,
we presented evidence of what
ultimately became a multi-part plan to
overturn the 2020 Presidential election.
That evidence has led to an overriding
and straight-forward conclusion:
the central cause of January 6th was
one man, former President Donald Trump,
who many others followed.
None of the events of January 6th
would have happened without him.**
