

## **2020 Presidential election**

**The subpoenaed House Member's willful failure to comply with a congressional subpoena reflects discredit on Congress.**

**If left unpunished, such behavior undermines Congress's longstanding power to investigate in support of its lawmaking authority and suggests that Members of Congress may disregard legal obligations that apply to ordinary citizens.**

**January 6 Committee Report - Summary, referral of members Kevin McCarthy, Jim Jordan, Scott Perry and Andy Biggs to the House Ethics Committee for failure to comply with subpoenas**
