

2020 Presidential election

United States House of Representatives Resolution 503 instructs the Select Committee to Investigate the January 6th Attack on the United States Capitol ("Select Committee") to investigate the facts, circumstances, and causes of the January 6th attack and issues relating to the peaceful transfer of power. Pursuant to that directive, we have interviewed thousands of witnesses, reviewed over a million documents, conducted public hearings, and vindicated our right in court against those who have tried to keep relevant information from the Select Committee.

As demonstrated in our hearings, we have assembled overwhelming evidence, including from dozens of your former appointees and staff, that you personally orchestrated and oversaw a multi-part effort to overturn the 2020 presidential election and to obstruct the peaceful transfer of power.
