

2020 Presidential election

Well, that happened.

**Let me remind you that what you just saw
was a production of NBC News.**

We are MSNBC.

**We did not produce that event,
We simulcast that here along with CNBC.
But that was a strange replacement for
what was otherwise supposed to be
the second presidential debate
of this general election season.**

**Rachel Maddow, October 15, 2020,
host of MSNBC's The Rachel Maddow Show,
coming on air immediately after Trump ended
his hour-long festival of lies
and conspiracy theories**
