

## **2020 Presidential primaries**

**For just a moment, it was just this little girl and me, standing in a beautiful, sun-drenched field with lots of laughing and talking in the background. She planted her feet, put her hands on her narrow hips, and looked straight into my eyes. In her dead serious, I'm-warning-you tone, she said: "You better win. I've been waiting for a girl president since ... since ... since kindergarten!"**

**Elizabeth Warren,  
in *Persist*, on an encounter with  
a "little girl of about eight or nine" at a  
campaign event in a field in St. Paul, Minnesota**
