

2022 midterm elections

Biden will be a crippled duck when he goes up against the 2024 Trump-Kari Lake ticket. And even if Trump loses, it doesn't matter.

**On inauguration day 2025,
he's going to show up,
And this time he's not going to take
no for an answer because this time
he will have behind him the army of
election deniers that is being
elected in four days.**

There are almost 300 candidates on the ballot this year who don't believe in ballots, and they'll be the ones writing the rules and monitoring how votes are counted in 2024.
