

2024 Presidential election

I've always said that if there came a point in time in this race where I couldn't see a path to accomplishing that goal [of winning the nomination and defeating Biden], that I would get out.

And it's clear to me tonight that there isn't a path for me to win the nomination, which is why I'm suspending my campaign tonight for President of the United States.

...

I also know though it's the right thing for me to do because I want to promise you this. I'm going to make sure that in no way do I enable Donald Trump to ever be President of the United States again, and that's more important than my own personal ambition.
