

Alt-righters say

**I'm trying to make myself
more capable of violence.**

**I'm here to spread ideas,
talk in the hopes that somebody more
capable will come along and do that.**

**Somebody like Donald Trump who
does not give his daughter to a Jew.**

**... Someone a lot more racist
than Donald Trump.**

**Christopher Cantwell, alt-right shock jock,
leader of white supremacists, and speaker
at the Unite the Right rally in
Charlottesville, Virginia**
