

Artificial intelligence

I have another dream.

Yes, it is me, Martin Luther King.

**I came back from the dead
to say something.**

**As I was saying, I have another dream
that Anthony Hudson will be Michigan's
8th District's next congressman.**

**Yes, I have a dream again.
Okay, now I am going back to
where I came from. Goodbye.**

**Deep audio fake in MLK's voice
endorsing Flint, MI, Republican
Anthony Hudson, followed by
Hudson saying, in his voice,
"I approve this message"**
