

Artificial intelligence

The single greatest risk of AI is that China wins global AI dominance and we — the United States and the West — do not.

...

To prevent the risk of China achieving global AI dominance, we should use the full power of our private sector, our scientific establishment, and our governments in concert to drive American and Western AI to absolute global dominance, including ultimately inside China itself.

We win, they lose.

**Marc Andreessen,
tech bro and mega AI investor**
