

Asslickers

With millions of lives at stake, he [Trump] takes accusations about the federal government's failure to provide ventilators personally, threatening to withhold funding and lifesaving equipment from states whose governors don't pay sufficient homage to him.

That doesn't surprise me.

The deafening silence in response to such a display of sociopathic disregard for human life or the consequences for one's actions, on the other hand, fills me with despair and reminds me that Donald isn't really the problem at all.
