

Bad news

**The free press
joins Trump's enemies list,
along with intelligence agencies,
civil rights leaders, Meryl Streep,
and non-absorbent hotel mattresses.**

**Stephen Colbert,
The Late Show, January 16, 2017,
on reports Trump may evict reporters
from their office in the White House,
which they've had since
Teddy Roosevelt's administration,
because, according to his aide,
"they're the opposition party"**
