

## **Bad news**

**Over the last five years,  
you people were so good over  
tax cuts, W.M.D. intelligence,  
the effect of global warming.  
We Americans didn't want to know,  
and you had the courtesy  
not to try to find out.**

**Stephen Colbert,  
2006 White House  
Correspondents' Association dinner**
