

Bad news

**You released a doctored video
– actual fake news.
History will not be kind to you.**

**Matt Dornic,
3:52 AM – 8 Nov 2018,
a CNN communication executive,
commenting on Sarah Huckabee Sanders
justifying withdrawing press credentials
from CNN's White House correspondent,
Jim Acosta, by releasing a doctored video
that made it appear that Acosta had
rapidly and repeatedly chopped down
on the arm of a White House intern who
Trump asked to take the microphone
from him after he asked questions
that annoyed Trump**
