» All federal legislation sunsets in 5 years with specific exceptions of Social Security, Medicare, national security, veterans benefits, and other essential services.

If a law is worth keeping,  
Congress can pass it again.

Note to President Biden, Sen. Schumer,  
and Sen. McConnell — As you know,  
this was never intended to apply to  
Social Security, Medicare, or the US Navy.

**A subpoint of Point 6 of Rick Scott's  
"12 Point Plan," a post-speech update of his  
"An 11 Point Plan to Rescue America", which  
was published long before the 2023 State of the  
Union Address and included only the 1st, 5th, and  
6th lines above, thereby justifying Biden's claim  
that "some" Republicans supported sunseting**
