**He wasn't doing a good job.**

**Very simply.**

**He was not doing a good job.**

**Donald Trump,  
on firing FBI director James Comey  
supposedly for mishandling last year's  
investigation of Hillary Clinton's emails  
but days after Comey requested additional  
resources to expand his investigation of  
Team Trump's connection and possible  
collusion with Russians, and hours  
before meeting with Russia's  
foreign minister and  
ambassador**
