

Bullshitters say

**That kid from
the mean streets of Queens
came out in the campaign.
He thought – if I'm gonna survive,
I've got to fight.**

**Christopher Ruddy,
long-time friend of Donald Trump,
bullshitting about a guy who grew up
in a 2,000-square-foot, five-bedroom
Tudor-style house built by his millionaire
father in the swish neighborhood of
Jamaica Estates in the borough of
Queens in New York City, and not,
for God's sake, in South Jamaica,
a neighborhood of hard knocks
and public housing**
