

Bullshitters say

There was no 'second meeting' between President Trump and President Putin, just a brief conversation at the end of a dinner.

The insinuation that the White House has tried to 'hide' a second meeting is false, malicious and absurd.

A "senior administration official" quoted by The Guardian, July 18, 2017, commenting on the hour-long conversation that they and Putin's translator engaged in out of earshot of other G20 dinner guests, that the White House failed to disclose, and for which there is no official government record
