

Bullshitters say

**We are not even into February
and the cost of illegal immigration
so far this year is \$18,959,495,168.**

Cost Friday was \$603,331,392.

**There are at least 25,772,342
illegal aliens, not the 11,000,000
that have been reported for years,
in our Country. So ridiculous! DHS**
