

Capitalism

Unfettered capitalism is what we should desire in this country.

Unfettered capitalism is what made this country great in the industrial revolution.

Carnegie and, umh, uh, the other men who built this country in the late 1800s.

I'm blanking.

J. P. Morgan ... uh, the rest of them.

Rockefeller. There's a name.

Graham Ledger,
news anchor of OAN's *The Daily Ledger*
