

Conspiracy theorists say

Tap water?

**You're drinking toilet water
with birth control drugs in them.
Chloramine, and on top of that
they're putting in fluoride.
Call me a conspiracy theorist,
but it's a mind-control drug
that has no benefit to
our dental health.**

**Mukhande Singh
(née Christopher Sanborn),
founder of Live Water, a purveyor of
unfiltered, untreated, unsterilized
– “raw” – water**
