

## **COVID-19 coronavirus**

**No one ever reached out to me  
and said, as a senior citizen,  
"Are you willing to take a chance on  
your survival in exchange for keeping  
the America that all America loves  
for your children and grandchildren?"  
And if that's the exchange, I all in. ...  
I just think there's lots of grandparents  
out there in this country like me.**

**Dan Patrick,  
lieutenant governor of Texas,  
volunteering to go back to work  
against the advice of public health officials  
in order to pump up the sagging economy**
