

COVID-19 coronavirus

"The president knows Florida is so important for his reelection so when [his supporter Gov. Ron] DeSantis says that [New Yorkers should be quarantined and prohibited from traveling to Florida], it means a lot," said the official, who spoke on the condition of anonymity to be frank.

"He pays close attention to what Florida wants."

NCRM, March 31, 2020, on how Trump is trying to harvest Electoral College votes in 2020 by sending Florida and other red states everything they request – or more – to fight coronavirus (while sending blue states like New York, where need is greater, less than requested)
