

COVID-19 coronavirus

Wearing a mask cleans nothing.

At most it traps virus droplets.

But it neither

'sanitizes' the person wearing the mask

nor 'sanitizes' the conveyance.

US District Judge Kathryn Kimball Mizelle, former law clerk for the ethically-challenged Supreme Court Justice Clarence Thomas, who Trump appointed District Judge after losing the 2020 election despite her never having been a lead or co-counsel in a civil or criminal case and her having been rated "Not Qualified" by the American Bar Association, and who cancelled oral arguments before writing her 59-page decision that invalidates the government-imposed mask mandate on public transportation nationwide and invites suits to prohibit the CDC from ever again issuing public health mandates
