

## **COVID-19 coronavirus**

**[W]hen all this is over,  
there is likely to be a new social contract.**

**The mystery is whether it will be  
more Dickensian (in the best sense)  
or Orwellian (also in the best sense).**

**That is, will it pressure the rich  
to give more to the commons  
or will it absolutely oblige them?**
