

Criminal justice

**I would say,
in listening to the charges from the judge,
who's, as you know, very conflicted,
and corrupt, because of the confliction,
very very corrupt,
Mother Teresa could not beat these charges.
These charges are rigged.**

**Donald Trump, May 29, 2024,
predicting he'll be convicted in his
hush money/election interference trial
not because the evidence is overwhelming
and he's guilty as charged, but because
the system and judge are corrupt, not him**
