

Dead-in-the-heads say

**As someone who's
run for office five times,
if the devil called me and said
he wanted to set up a meeting to give
me opposition research on my opponent,
I'd be on the first trolley to Hell to get it.
And any politician who tells you
otherwise is a bald-faced liar.**

former judge and district attorney and
Fox News' Justice with Judge Jeanine host,
defending Donald Trump Jr.'s meeting with
emissaries of the Russian government even
though he knew it wanted to help Trump win,
and she knows it's illegal for foreigners to
contribute, donate or spend funds on
any election in the United States**
