

Dead-in-the-heads say

**Before you take this historic vote today,
one week before Christmas,
I want you to keep this in mind.
When Jesus was falsely accused of
treason, Pontius Pilate gave Jesus
the opportunity to face his accusers.
During that sham trial,
Pontius Pilate afforded more rights
to Jesus than Democrats afforded
this president in this process.**

**Barry Loudermilk, Georgia Republican,
during the House floor debate ahead of
voting on articles impeaching Trump,
December 18, 2019**
