**Here in America, we have been complicit in terminating the lives of in excess of 50 million precious unborn children, and don't you think almighty God is going to hold us accountable for that? ... It's coming ladies and gentlemen. We just have a little taste of it in terms of the financial system, but it's going to get shaken to its core in the next few months, years or however long it takes, and it will hurt every one of us.**
