

## **Dead-in-the-heads say**

**I would find half  
a billion dollars of that right  
out of Planned Parenthood's budget.  
And the rest of it could come out of  
food stamps and the entitlements that  
are being spread out for people that  
haven't worked in three generations.**

**Steve King,  
Northwest Missouri State University dropout,  
chickenhawk who falsely claimed he's Latino,  
says "I'd like to see an America that is just so  
homogenous that we look a lot the same,"  
and Republican Congressman from  
Iowa's 4th congressional district,  
explaining where to get an additional  
\$5 billion to build the border wall with Mexico**
