

Dead-in-the-heads say

The Republicans [in California] don't win and that's because of potentially illegal votes, which is what I've been saying for a long time.

I have no doubt about it.

**And I've seen it,
I've had friends talk about it
when people get in line that have
absolutely no right to vote
and they go around in circles.
Sometimes they go to their car,
put on a different hat,
put on a different shirt,
come in and vote again.**
