

## **Dead-in-the-heads say**

**There's a lot of concerns with the economy here because people are scared to go out. But I will just say, one of the things you can do if you're healthy – you and your family – it's a great time to just go out, go to a local restaurant. Likely you can get in easily. Go to your local pub.**

**Devin Nunes, March 16, 2020, who believes social distancing is unimportant in fighting a pandemic**
