

Democrats

**What the US left appears to want
is social democracy as understood
by Robin Hood.**

**It would tax astronomical wealth
to fund popular programmes.**

**It would not ask much more of the
middle or even the upper middle classes.**

...

**This does, however,
put them at some odds
with the social democrats of Europe,
who tax more citizens more heavily.**

**Janan Ganesh,
Financial Times, February 26, 2020**
