

Evangelicals say

**We kind of gave him—
“All right, you get a mulligan.
You get a do-over here.”**

**Tony Perkins,
president of Family Research Council,
the self-described “Pro Marriage”
evangelical Christian lobby,
commenting on Donald Trump's payment
of \$130,000 hush money to a porn star
to keep quiet about their affair
months after his wife Melania
gave birth to their son**
