

## **Fake tears**

**Even beautiful babies  
were cruelly murdered  
in this very barbaric attack.**

**Donald Trump,  
justifying bombing a Syrian airbase  
because babies were among the dozens  
killed in a government-led chemical attack  
on nearby rebel positions, which took place  
after more than 55,000 children had already  
been killed in its civil war and after he had  
banned all Syrians from entering the US**
