

## **Fake tears**

**Look, this is terrible.  
It makes me mildly nauseous  
to think we might have had  
some impact on the election.**

**James Comey,  
FBI Director and Republican,  
on his decision to disclose two weeks  
before the presidential election that the  
FBI had reopened its Clinton email probe  
without having yet studied the new emails,  
which it later said warranted no legal action**
