

Gun makers say

It [the Sandy Hook massacre] was an awful horrific huge tragedy but its impact on the long-term capital decisions of the business were not — were not a factor.

We were in the business of legally making guns to legally sell to legal gun owners. So there is no other thing to do than wake up and make guns on Monday morning.

**George Kollitides ii,
CEO of Freedom Group, maker of the AR-15 used ot kill 20 first graders and 6 teachers at Sandy Hook Elementary School on Dec. 14, 2012, who led its purchase of a barrel maker to raise AR-15 sales by lowering manufacturing costs on Dec 20, 2012, when funeral services were being held for a six-year-old victim**
