

## Higher education

**"I recall the day that I took Trump's SATs as clearly as if it were yesterday" Putin said. "I totally aced them."**

**As the years rolled by, Putin followed with intense interest the career of the man whose SATs he took.**

**"I often asked myself, 'How will Donald Trump every repay me for putting him on the path to Wharton?'" Putin said, with a devilish smile. "As it turned out, I found a way."**
