

Housing

**Every fucking room here is round.
The New Yorkers love this shit.**

**Gil Dezer,
developer of the round-roomed Armani Tower
and the Bentley, the Porsche Design Tower,
and several Trump towers chock full of
multi-million dollar apartments replete
with such sought-after luxuries as onyx,
Turkish steam baths, and Japanese toilets,
in Sunny Isles Beach in Miami-Dade County,
a.k.a. "Moscow by the Sea" or "Little Moscow"**
