

# Hypocrisy

Of course,  
Democrats are screaming now about  
Republican hypocrisy over Trump filling  
the Ginsburg seat in an election year.  
"They said one thing when it was Obama  
and now they're saying  
the complete opposite.  
How can they sleep at night?"  
I'll tell you how.  
Like babies.  
Because, like babies, they have no morals.
