

Hypocrites say

**I left today's Colts game because
@POTUS and I will not dignify any event
that disrespects our soldiers, our Flag,
or our National Anthem.**

**Mike Pence, 10:08 AM – 8 Oct 2017, on
a stunt he planned with Trump that cost
taxpayers hundreds of thousand dollars
to have him and his staff fly round trip
between the West Coast and Indianapolis
so that he could be photographed at an NFL
game standing and saluting while some
players kneeled in protest of racism,
and then walking out in a huff over
their alleged lack of patriotism
to be back in time to attend
scheduled fundraisers
in California**
