

Impeachment

**Whether in London or Washington,
what liberals are ultimately defending
is not any policy but the rule of law:
the frame within which a nation paints
its politics, not the choice of colours.**

**Protecting the one might entail
some sacrifice of the other.**

**Ms Pelosi seems ready to brave the cost.
The test is whether she holds
to her course if voters revolt.**

**Janan Ganash,
Financial Times, September 25, 2019**
