

Income inequality

\$10,400,000,000

**2013 combined income of
4 highest paid hedge fund managers**

¹
\$8,300,000,000

**2013 combined income of
158,000 kindergarten teachers**

Lowdown, February, 2015

**$\$10,400,000,000 / 4 = \$2,600,000,000$,
the average head fund manager's income**

**$\$8,300,000,000 / 158,000 = \$52,532$,
the average kindergarten teacher's income**

**$\$2,600,000,000 / \$52,532 = 49,494$
times the average teacher's income**
