

Iraq War

**My Sudanese translator
struggles to understand my English.
The detainee struggles to understand
the dialect of the translator.**

**The translator struggles to
understand the Arabic of the detainee.
I struggle to understand the English
of the translator. It takes nearly two
hours to collect enough information
to write a report that says, "Detainee
doesn't seem to understand questions
about chemical weapons."**

**Eric Fair,
Consequence: A Memoir**
