A lot you are in the real estate business, because I know you very well. You're brutal killers, not nice people at all, but you have to vote for me. You have no choice. You're not gonna vote for Pocahontas [Elizabeth Warren], I can tell you that. You're not gonna vote for the wealth tax.

Some of you don't like me.

Some of you I don't like at all, actually. And you're going to be my biggest supporters because you're going to be out of business in about 15 minutes if they get it. So I don't have to spend a lot of time on that.
